

DEUTSCHLANDE LICHTTECHNISCHE GESELLSCHAFT e. V.

ASSOCIATION FRANÇAISE DE L'ÉCLAIRAGE

## Agreement on technical cooperation

**Agreement on technical cooperation between the Association  
Française de l'Éclairage (AfE) and the DEUTSCHE  
LICHTTECHNISCHE GESELLSCHAFT e.V. (LiTG)**

The Association Française de l'Eclairage (AfE) and the DEUTSCHE LICHTTECHNISCHE GESELLSCHAFT e.V. (LiTG) have agreed to cooperate in the interest of promoting the cooperation between lighting engineers and others interested in light and lighting.

The specific terms of this agreement are:

### Member Activities

Members of one organization shall enjoy the privilege of attendance at, and participation in conferences, seminars, lectures and other meetings of the other organization on the same basis as members of the other organization.

All publications of one organization shall be made available to members of the other organization at member rates. An appropriate subscription charge shall be asked from members of one organization if they wish to receive periodicals normally distributed to the members of the other organization as part of their dues.

All who are members of one organization and who meet membership requirements of the other organization may apply for membership in that organization without need for formal references and without payment of initiation, application or entrance fees.

Members of either organization availing themselves of the privileges under this Agreement shall furnish appropriate identification of their membership in their organization. This applies particularly to attendance at conferences and the purchase of publications.

### Organization Activities

The governing body of each organization shall name a member who may be invited as an observer to those meetings of the other organization's governing body at which matters of mutual interest to both organizations are to be discussed

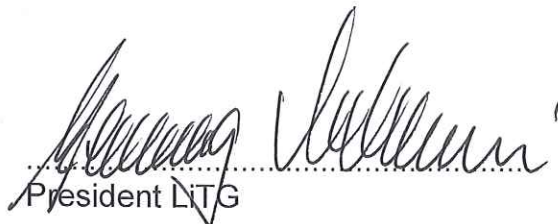

Each organization shall provide to the other one copy of periodicals normally distributed to its members as part of their dues, announcements of conference programmes, future meetings dates and locations and news of mutual interest.

Each organization shall encourage its technical officers to involve those of the other organization in international events for the exchange of technical information where practicable and appropriate.

Amendments to this Agreement may be made at any time, subject to approval of the governing bodies of both organizations. This Agreement may be terminated by either organization on six months written notice to the other.
